## Publicity Statement

BSC Young Learners Ltd. provides engaging activities, excursions and lessons using syllabus that was developed in collaboration with National Geographic Learning, combining General English and Project Work to allow its students improve their English with the help of highly qualified and experienced teachers. BSC Young Learners Ltd. believes in a communicative teaching approach and learner independence, making sure that everyone has the support they need to achieve the best learning outcome.

BSC Young Learners Ltd. operate as per British Council of Accreditation regulations, adhering to safer recruitment policies and maintaining the highest safeguarding standards.

The main medium of publicity for BSC Young Learners Ltd. is the website, [british-study.com](https://www.british-study.com), which provides course details for all programmes currently running, as well as important information for students and details of how to apply. Publicity materials also include brochures covering all courses on offer, which is available as an electronic version available to download on the website.
