# Student Success Stories

We're here to help you achieve great things...

**Leticia, Brazil**  
**BSC York**

"The city is incredible. York has great diverse attractions that we can go to...I love how friendly they are".

"When my experience here started it was very different for me because it was the first time I left home and my family and I am generally shy -but here it has been very easy!

I feel different, I can speak in the college without being shy and this experience has made me more confident!

Learning a language is difficult but not impossible and I feel I can now speak English in a similar way I can speak French.

I have made friends and I love the city. It's been a very important experience and it has helped me understand a lot of things about myself!"

**Tasnim, France**  
**BSC Central London**

"Our teachers were really, really nice - maybe perfect. I'm not exaggerating! They are curious about our mentality, our culture & encourage us to speak a lot. This has helped me speak much more easily."

**Ginji, Japan**  
**BSC Brighton**

"Studying English is very important for my job. I chose this school because the teachers are very helpful. The classes are dynamic. I live with a host family and they are so cute with me!"

**Yazna, Chile, BSC Manchester**

**Benjamin, France**  
**BSC Brighton**

'I'm working but still need to improve my language & soft skills for my job & for my studies as I will restart at university & get ready for my PhD & for that I will need some stronger English language skills & so it was necessary to come back to England & find a good English school. In Brighton, I will take away some new skills thanks to my teachers. I have improved a lot my pronunciation & my speaking in general, a lot of interesting topics & some really good feedback I got from my teachers during the whole course.'

"You can learn a lot and I think it's nice that you can see the teachers are really interested in our progress and I appreciate that. The teachers are very understanding and if they notice that you need more practice, for example in grammar, they will give you more practice on that".

**Julia, Switzerland**  
**BSC Manchester**

"I really like this school, the teachers are great. They are so kind and friendly and they are always helping me if I don't know something. I have made many new friends here and it's so nice. It is very interesting because many people in the school are from other countries and when you talk to them in your class you can know things about other countries. It is very nice and a great experience for me".

**Liliia, Ukraine**  
**BSC Manchester**

"There are many students from other countries and so I have heard a lot of things for the first time that I didn't know".

**Soma, Japan, BSC Manchester**

"You have to choose BSC! It's really friendly and you can improve yourself, not just your English. You can meet wonderful people"

**Nour, France**  
**BSC Manchester**

# Terms and Conditions 2023

## 1. CLASS INFORMATION

Courses run from Monday to Friday and are scheduled in the morning and/or afternoon depending on product and location. BSC Education (BSC) reserves the right to change the timetable structure.

BSC reserves the right to use classrooms in alternative premises.

Special focus classes including exam classes, free language workshops and language activities may vary between BSC locations and are subject to change due to availability.

One-to-One lessons are subject to availability and will be scheduled accordingly. Lessons may be offered outside of regular class times and may occur outside of the college premises.

All One-to-One lessons require 72 hours' notice for cancellation, postponement, or changes for a refund. Sessions cancelled, postponed, or changed with less than 72 hours' notice will be charged in full.

One-to-One lessons booked as a course package (15 lessons or more per week), will be treated like all other BSC programmes, and refunded as per standard terms and conditions.

Any class or one-to-one lessons cancelled by BSC will be entitled to a full refund.

If a student does not have the required minimum level of English needed to participate fully in a specific course, BSC reserves the right to move the student to an appropriate class.

Where a class is held online, students agree that they will turn their webcam on. Failure to do so may result in removal from the class.

## 2. PAYMENTS

A 20% deposit must be paid immediately upon booking for all courses contained in this Price List. Some BSC courses may require a different deposit amount. A booking confirmation will only be sent when a deposit has been received. Bank details are provided on the invoice.

Payments must be received in full 28 days prior to the course start date.

Bookings made within 14 days of arrival must be paid in full at the time of booking.

Payment must include all bank

transfer charges (including intermediary bank charges).

Payment plans are available for courses and accommodation longer than 12 weeks. For further details, please speak with your BSC team.

## 3. CHANGES TO ENROLMENT

BSC reserves the right to charge an administration fee of £50.00 each time the course, accommodation or centre is changed or postponed after BSC has confirmed the initial enrolment. This also includes requests for changes whilst the student is studying with BSC. A downgrade in course type after booking is considered a cancellation and the same refund policies will apply.

BSC reserves the right to cancel a program at any time. In such an event, any deposits for the impacted program will be refunded without prejudice. These programs will be removed from our online booking form and no separate announcement shall be made. Any students on these courses will be notified in advance.

## 4. REFUNDS AND CANCELLATION FEES

All refunds will be made to the original fee payer only.

If BSC cancels a programme after a student's enrolment, BSC will refund all monies already paid.

In the event that a refund is due, prorated refunds will be calculated on a weekly basis.

When determining the number of weeks of a student's program, BSC will consider a partial week the same as if a whole week were completed, provided the student was present at least one day during the scheduled week.

All refunds will be made within 60 days of cancellation.

### a. Cancellation prior to arrival

Students cancelling courses or accommodation before 14 days prior to the course start date, or students who have had their visa application rejected BSC will refund fees received in full less non-refundable charges (registration fee, accommodation fee, courier fees and student insurance fees), the costs are listed for each college in the price list

Students cancelling or postponing accommodation within 14 days of arrival date, for reasons other than visa denial, will be charged a one-week accommodation fee at the standard accommodation rate in addition to the non-refundable charges (registration fee, accommodation fee, courier fee and student insurance fee).

Non-BSC accommodation (i.e. accommodation booked by BSC through 3rd Party suppliers) may be subject to different cancellation terms. Any accommodation booked through BSC that is not subject to the standard cancellation terms must be cancelled or postponed according to the cancellation terms quoted at the time of booking to avoid a cancellation fee (which may amount to the full stay charge). We remind you that in cases of non-BSC accommodation bookings, a deposit is required at the time of booking and payment in full is required one month prior to arrival. BSC will inform you of the booking terms of your chosen accommodation when confirming the booking.

### b. Cancellation after arrival and non-arrivals

Students wishing to leave their accommodation early must give notice in writing 4 weeks' prior to termination. After deducting the price of accommodation used, including the required notice period, charged at standard accommodation rates, students will be refunded the remaining accommodation costs.

If the 4-week notice period is not provided, a cancellation fee equal to 4 weeks of the accommodation cost will apply.

Please note: Certain accommodation options may be subject to alternative cancellation charges. Should these differ from above, students will be notified at the time of booking.

After the start date of a student's course, any lesson hours reduced, cancelled or shortened are non-refundable in the event that BSC receives less than 4 weeks notice of the change.

Students who wish to change location and have not booked on a multi-centre package will not be entitled to a refund should the chosen product or location be offered at a lower price or if the course duration is shortened.

## 5. ACCOMMODATION

Students arriving at a Residence or Homestay between 22.00 – 08.00 may be asked to book alternative accommodation in a hotel on their first night due to late/early arrival at accommodation. Some accommodation options may charge late arrival surcharges, this information is available at the time of booking.

Where possible special dietary requirements will be accommodated (fees apply). Availability and any applicable fees will be confirmed upon request.

BSC may use carefully selected partners to house students with suitable Homestay providers.

Students who are aged 16 or 17 at the time of booking an adult course unaccompanied by a parent or guardian are required to book either a homestay with Half Board with BSC for the duration of their course or book a BSC Student Residence (available only to 17-year-old students who turn 18 before the start of the Academic year).

## 7. VISAS

BSC cannot be held responsible for decisions taken by embassies or immigration officials regarding entry visas or visa extensions.

Visa advice can only be given by the appropriate Embassy, Consulate or High Commission. Students should contact their local Embassy, Consulate or High Commission to ensure they are allowed to enter and study in their chosen location. Students must maintain a valid visa status and their course will be terminated without a valid visa.

It is the responsibility of the applicant to ensure that the most updated regulations/processes are being followed. BSC cannot be held responsible for any visa regulation changes which occur after the booking has been confirmed in compliance with the then existing regulations.

A visa document courier fee or postal fee

is charged each time documents must be sent by courier or post. Please see individual location pages for exact fees.

If a visa application is rejected and we receive written evidence at least 10 days prior to arrival, we will refund the fees received in full, less any bank charges and any non-refundable fees (registration fee, accommodation fee, courier fees and bank charges). Accommodation cancellation fees will apply. Should BSC receive positive visa application results fewer than 14 working days prior to arrival, BSC reserves the right to offer alternative accommodation, which may incur additional charges.
