## BSC Experienced CELTA Trainers

Whether you choose to take your course online or in one of our colleges, you can be sure that you will be taught by some of the best CELTA trainers around

**PETE WOODS**  
Teacher Trainer, BSC York

I am interested in teacher training in terms of leading teachers through CELTA. I have also had the opportunity to train CELTA trainers which is very rewarding, as is the positive feedback from trainees and hearing from successful CELTA graduates about how their EFL careers have developed after CELTA. It is great to hear about what they are doing now and the range of opportunities CELTA has given them.

**RACHEL KILNER**  
Teacher Trainier, BSC Manchester

I enjoy the rewards that being a CELTA trainer brings. It's wonderful to see teachers growing in confidence and putting their new skills into practice.

As the course progresses new teachers and experienced teachers can see the benefits that the CELTA course has to offer. Whether the course is online or face to face, or whether it's full time or part time, we are able to offer support along the way.

The CELTA certificate opens so many doors, from teaching whilst travelling to a full career path into training or management. I should know. I did my CELTA with this wonderful company many years ago, and now I'm a teacher trainer with BSC.
